# GREEN

## **SPRAY INDICATOR DYE**

### **PRINCIPAL FUNCTIONING AGENTS:**

Water-soluble green colorants, stabilizing agents and ingredients ineffective as a spray adjuvant..... 100%

**TOTAL**..... 100%

All ingredients are exempt from tolerance under 40 CFR 180

## **KEEP OUT OF REACH OF CHILDREN DANGER**

May cause an allergic skin reaction. May cause allergy or asthma symptoms or breathing difficulties if inhaled. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection and face protection. In case of inadequate ventilation wear respiratory protection.

### **FIRST AID**

Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center or physician to specify the appropriate source of emergency medical advice. If skin irritation occurs: Get medical advice or attention.

**IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Call a poison center or physician to specify the appropriate source of emergency medical advice if you feel unwell. **DO NOT INDUCE VOMITING.**

**IF INHALED:** If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. If experiencing respiratory symptoms: Call a poison center, doctor or physician. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

**NET CONTENTS: 2.5 U.S. Gallons (9.46 L)**

**ProSolutions LLC • 5018 Hwy 41 N • Springfield, TN 37172**

## **ProSolutions GREEN**

### **GENERAL INFORMATION**

**ProSolutions Green** is designed to be added to herbicide spray solutions to indicate the spray pattern on turf. By colorizing the spray, applicators can apply to areas that have not yet been sprayed and avoid re-spraying areas where the solution has already been applied.

**ProSolutions Green** will mix with any water soluble pesticide or fertilizers and will not impact the efficacy of active ingredients. The color will fade naturally after application in wet or dry conditions.

### **USE RATES**

A variety of factors will influence the intensity of color sprayed, including the plants being sprayed and the rate of application. To determine the optimal use rate, start by adding 1 to 2 pints of **ProSolutions Green** to every 100 gallons of spray solution. Adjust as necessary (higher use rates will yield a more visible spray pattern) until the desired color is being sprayed.

### **STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. STORE BETWEEN 40° AND 90° F.

**DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org).

**WARRANTY STATEMENT:** Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
